The Out of Hours Club operates from the school hall, the computer room and on occasions the reception classroom, with a maximum of 32 children attending at any one time. The staffing ratios being one adult to every eight children. There are currently 56 children aged from four to eleven years enrolled at the club.

The children experience a range of planned activities both inside and outdoor. These allow for the children to play in groups according to their individual likes and dislikes and needs. The children are encouraged to play in teams and they are given the opportunity to play games such as netball and football. Indoor activities include construction toys, arts and crafts, computers, small world play. We are an equal opportunities club and we ensure that all the children regardless of gender and ability have access to all the equipment and activities. At the club the children will also have the opportunity to learn to appreciate other cultures and beliefs as they celebrate different festivals throughout the year

Staff are aware and follow the schools policies and procedures on health and safety and child protection. We provide a happy and healthy environment for your children.

To book a place at the Out of Hours Club call either the school office or speak to any of the clubs staff.
