

Our Internet Agreement

We agree to :

- Not give out personal information such as addresses, telephone numbers, photographs or the name and location of our school without permission
- Tell an adult right away if we come across any information online that makes us feel uncomfortable
- Not reply to any messages that are mean or in any way make us feel uncomfortable. We will tell an adult right away so that they can investigate
- Only use the Internet if given permission to do so by an adult
- Not give out our Internet password to anyone (even best friends)
- Be a good online citizen and do not do anything that may hurt other people or is against the law
- Not use any rude language in our emails and only contact people we know or those the teacher has approved. We will not send chain emails
- Not download to the computer from the Internet. Programs on disc or CDs from home should not be brought into school
- Only use computers for schoolwork or homework unless permission has been granted otherwise.
- Not print out personal things
