

During this period of partial school closures children are working more and more on their computers and online.

Here are some useful tips to help parents ensure that their child is safe when working and playing on the internet.

It is important to have regular conversations about staying safe online and to encourage children to speak to you if they come across something worrying online.

The resources below provide guidance for parents and carers to keep children safe online. They will, amongst other things, support you to talk to your child about a range of online safety issues, set up home filtering in a child-friendly way and set up age-appropriate parental controls on digital devices:
