

All About

Miss Paris

I have been a teacher for 22 years and been at The Croft for the last 6 1/2 years. I have taught all years from Reception to Year 6 but most of my time has been spent with Years 3 & 4. When I am not at school I live in Shrewsbury with my partner Andy, our 14 year old son Aaron and 2 dogs Monty and Phoebe. I love being a teacher and had always wanted to teach since I started teaching at my local dance school aged 14!

Hobbies

I enjoy going for walks with my dogs, reading and spending time with friends and family. I have occasionally been known to go for a run!

What I like about The Croft

I love working at The Croft as it is like a big family.

A message from me.....

I look forward to seeing you all in September. Things may be different but we will learn and grow together
