

# All About

## Mrs Challinor

Hi, let me tell you a little bit about myself! I have worked at The Croft for many years and I have taught in both Key Stage 1 and Key Stage 2. I love teaching and even when I was 5, I knew I wanted to be a teacher! I used to make my younger sister play schools with me, and I made pretend registers out of books.

I am married to Mr Challinor who is a teacher as well, and sometimes he also teaches at The Croft. We have a little boy called Max and a bigger boy called Harry. As a family, we enjoy outdoor adventures, and we often holiday in Wales as we have a caravan there - we love the seaside no matter what the weather!

### Hobbies

I have lots of things that I enjoy doing! I love visiting different National Trust places and exploring different parts of the country. I also enjoy doing Park Run with my friends to catch up but also keep fit and healthy.

### What I like about The Croft

One of my favourite things about our school, is the pupils. Croft pupils are kind and caring and get fully involved in school life. I like the fact that when I come to work everyday, I get to look out at smiley, happy faces!

### A message from me.....

This year has been a very different year for us all. Although I have made many happy memories with my family, I am now very much looking forward to getting back into the classroom! I cannot wait to get to know you better and to make memories together as the Year 3 Class of 2020-2021. I have lots of excited things planned!

See you in September!
