

Year 6 Home Learning Week 11

Welcome to week 11 of home learning. Can I encourage the children to check out the whole range of activities below and maybe try out something different if you need a change? Don't forget The BBC Bitesize daily lessons as they may provide a different format. There are a couple of new links to a whole range of new activities from Oak Learning including a link to Scouts and a variety of Art tasks.

I have begun to have a selection of tasks from our half term project work handed in but would like to see some more please take a look at the information reminder I sent out just after half term and email me some examples.

You may well have been asked to complete a transition project for your high school. I appreciate that if you are focusing on this then you may not complete the project.

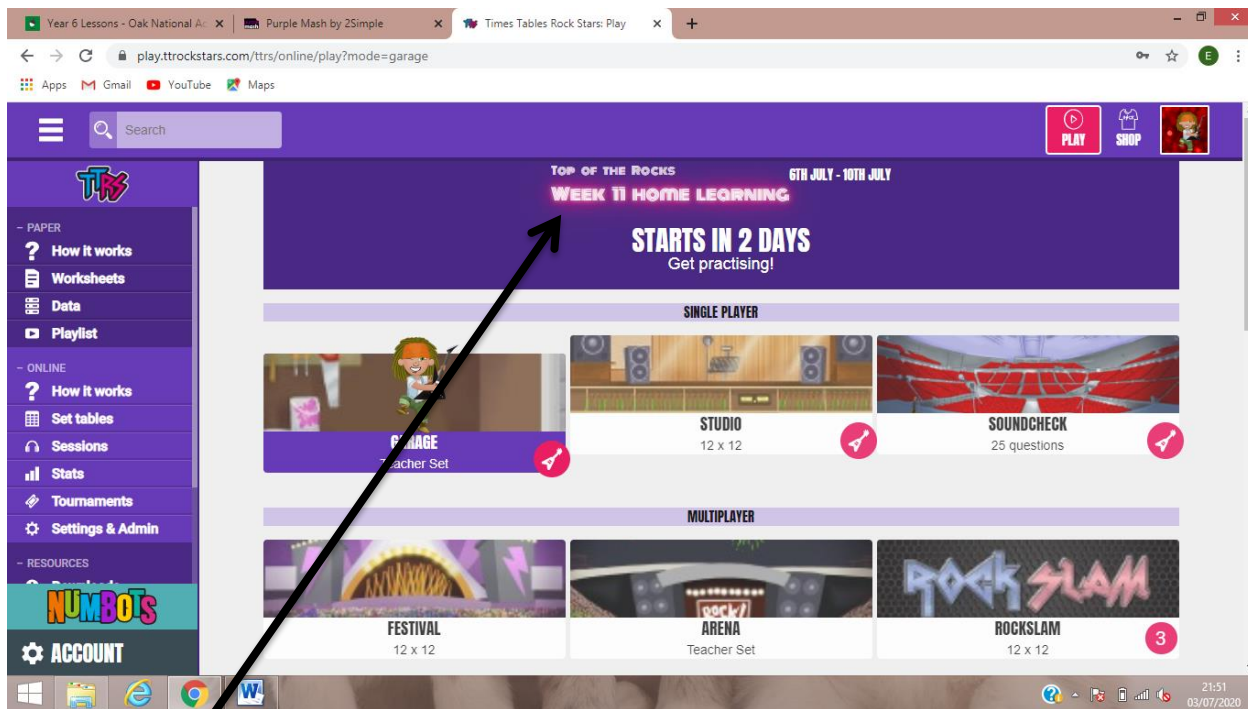

Please look out for the Emails I am sending through Purple Mash so check your alerts and keep me up-to-date with how you are getting on and if I can do anything to help and I will try to respond to you all as soon as I can.

Within the newsletter you will find:-

1. Reference to the new TT rockstars challenge due to start at 8.45 Monday morning. (Year 6 at the Croft were beaten into 3rd place this week) We need everyone to join in even if only for $\frac{1}{2}$ an hour a day in order for us to come first again next week)
2. Oak academy interactive lesson links
3. White Rose Maths tasks, worksheets and answers
4. Purple mash 2do's
5. Useful web sites including links to lessons from BBC Bitesize Daily

Remember that these activities are just suggestions that may help you with your lessons but we are not expecting you to complete them all?

Find below reference to this weeks TT Rockstars challenge

We are continuing with the new TT Rockstars 'Top of the Rocks' contest. I've set up the fourth challenge entitled Week 11 Home Learning. Just log in to your account and play any of the activities. This will enable them to build up their scores which will then be added to their schools total. They will be able to check their individual progress and that of the school by clicking on the title of the challenge as seen above. Get practicing and take the challenge. It will begin on Monday and last for the week.

Oak National Academy - Online Classroom - Year 6

<https://www.thenational.academy/online-classroom/year-2/#schedule>

Daily lessons delivered by qualified teachers..
Please find activities for week 10 below

This week (Week beginning 6th July) I would recommend:-
Monday

Lesson - Literacy - <https://classroom.thenational.academy/lessons/reading-focus-structure>

Lesson - Maths - <https://classroom.thenational.academy/lessons/solve-problems-involving-the-relative-sizes-of-two-quantities-part-1>

Lesson - Foundation - <https://classroom.thenational.academy/lessons/what-challenges-can-an-ageing-population-present>

Lesson - Foundation - PSHE

<https://classroom.thenational.academy/lessons/circle-of-life-gone-but-not-forgotten-a0e89c>

Tuesday

Lesson - Literacy - <https://classroom.thenational.academy/lessons/reading-focus-comprehension-questions-763245>

Lesson - Maths - <https://classroom.thenational.academy/lessons/solve-problems-involving-the-relative-sizes-of-two-quantities-part-2>

Lesson - Spanish - <https://classroom.thenational.academy/lessons/to-be-able-to-describe-physical-appearance-in-spanish-e0e5ab>

Wednesday

Lesson - Literacy - <https://classroom.thenational.academy/lessons/writing-focus-identify-the-key-features-50c98d>

Lesson - Maths - <https://classroom.thenational.academy/lessons/ratio-problems-c42b16>

Lesson - Science - <https://classroom.thenational.academy/lessons/explain-how-to-identify-whether-a-chemical-reaction-has-taken-place>

Thursday

Lesson Literacy - <https://classroom.thenational.academy/lessons/writing-focus-cohesive-devices>

Lesson Maths - <https://classroom.thenational.academy/lessons/unequal-sharing>

[Lesson - Foundation - https://classroom.thenational.academy/lessons/how-do-we-feed-the-people-of-the-world](https://classroom.thenational.academy/lessons/how-do-we-feed-the-people-of-the-world)

Friday

[Lesson Literacy - https://classroom.thenational.academy/lessons/writing-focus-write-a-biography](https://classroom.thenational.academy/lessons/writing-focus-write-a-biography)

[Lesson Maths https://classroom.thenational.academy/lessons/unequal-sharing-problems](https://classroom.thenational.academy/lessons/unequal-sharing-problems)

[Lesson Music - https://classroom.thenational.academy/lessons/to-sing-a-major-and-minor-scale-871a39](https://classroom.thenational.academy/lessons/to-sing-a-major-and-minor-scale-871a39)

White Rose

<https://whiterosemaths.com/homelearning/year-6/>

The White Rose online maths activities are really good so please have a go at a few. Each lesson starts with a video modelling each concept and then provides an activity. This week I have again added a worksheet link so you can download and print related worksheets to support the video lesson. I have also now downloaded the answer sheet to help you check your answers. Hope this helps?

This week I would recommend -

Lesson 1 - Vertically opposite angles

<https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-1-Vertically-opposite-angles.pdf>

Answers

<https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-1-Answers-Vertically-opposite-angles.pdf>

Lesson 2 - Angles in a triangle - missing angles

<https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-2-Angles-in-a-triangle-missing-angles.pdf>

Answers

<https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-2-Answers-Angles-in-a-triangle-missing-angles.pdf>

Lesson 3 - Angles in special quadrilaterals

<https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-3-Angles-in-special-quadrilaterals.pdf>

Answers

<https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-3-Answers-Angles-in-special-quadrilaterals.pdf>

Lesson 4 - Angles in regular polygons

<https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-4-Angles-in-regular-polygons.pdf>

Answers

<https://resources.whiterosemaths.com/wp-content/uploads/2020/06/Lesson-4-Answers-Angles-in-regular-polygons.pdf>

Lesson 5 - Friday maths challenge

[Purple Mash](#) - This week I have selected a new array of 2Do's on Purple Mash and have been able to upload some of my own tasks for the children to have a go at

- Chapters 4-7 of 'Seven Seconds' with a related quiz for each of the chapters along with additional downloadable question sheets.
- There are a selection of different related writing activities including a book review
- Two spelling assessment activities
- Topic and science tasks independently uploaded onto the Purple Mash platform including work on mummification and information about Canopic jars.

Other useful websites

Additional resources

BBC Bitesize daily link. This includes a maths and English lesson linked to the current curriculum and one other lesson from the foundation curriculum eg. History, Geography, Languages etc. Please take a look as these might suit your children or just be an alternative to what they have been doing for the past 10 weeks.
