

Year 1 Class Home learning
Week beginning 11th January 2021

WOW What a first week. Can I start by saying thank you for the kind words and statements of support that we have had as a school. We are doing all that we can to make our home learning and key worker learning in school successful and I have been so grateful for all of your support. I have loved the emails that have been sent with pictures of the work you have been completing at home and have been sharing these with the children in school too.

Please find below details of the remote learning for this week. The work below is the same as the work that the children are completing in school. Therefore, I have changed the format of the newsletter to show what days the work could be covered. Please try and follow the guidelines where possible. However, I do appreciate that for those parents who are juggling working from home and home learning this could be difficult so you can make it work for you. As usual - any worksheets I have included have been uploaded to Purple Mash. If you do require the worksheets to be printed out, then please contact me via email and I will arrange for it to be there for you to collect.

Also, can I remind you that extra activities, support activities may be uploaded to the Croft Primary Facebook Page. If you are not already a friend, please become one and there may be some useful support for you.

Do not forget that if you have any concerns or questions about remote learning you can contact me via my email staff15@croft.staffs.sch.uk. I am teaching full time so please bear with me, I will get back to you as soon as I can. In addition, if you wish me to give you a call to check in with you just drop me an email and I will endeavour to give you a call at some point during the week when I am not teaching. This week there will also be a video check in message from me so look out for that on Purple Mash too!

Monday

Phonics - Learning the new sound 'ir' as in 'bird.' [Lesson 36 - Year 1 - YouTube](#)

Purple Mash - I have included a 2Do for the children to complete. I would like them to log on and have a go on the 2Go app. This encourages the children to follow the instructions in order to complete the challenges. When they launch the app, select challenges on the next box and ask the children to have a go. They gradually become more difficult. Don't go any further than the 3rd challenge.

RE - I have uploaded a Power Point about celebrations onto Purple Mash. Have a look at the pictures with the children and discuss all the different types of celebrations that we have and how we celebrate them. **You could even have a look through some of your own celebrations e.g. wedding photos, christening photos, birthday parties, Christmas celebrations.** Then I have uploaded a worksheet for the children to complete drawing and labelling how we celebrate and have fun at these times. E.g. dance, have some food, have a party, give presents etc.

Extra Activities

Phonics

<https://www.phonicsplay.co.uk/>

Phonics play have opened up their website so that all activities and games are free again. We use this website lots in school and the children are really familiar with it. Username and password are included below. Please log the children on and they can play and practise their sounds in a fun and interactive way.

Username - jan21

Password - home

Serial Mash

This week I would like the children to start to use Serial Mash. This is online reading books, games and activities you can access using Serial Mash. We will be starting with the first chapter of the book 'Class 1 and the Winter Walk'. I have included this as a 2Do for the children to complete. Please let me know how the children get on with the reading and understanding of these activities.

Spellings

This week the children will be working on the following spellings:

Group 1 - I will email you to let you know if your child is in group 1 to learn these spellings. I would like them to learn - chin, chop, chat, chug

Group 2 - here, where, there, love, come, some.

Please feel free to test your child on these spellings on Thursday. Please let me know what their results are!

PE - Activities online guidance - Please feel free to have a look at these. They are all appropriate for KS1.
