

## The Croft Primary School Possible Barriers To Learning

At The Croft, we recognise that children may not attain or progress at the rate we would like or expect. There may be a range of factors why this happens. The staff at the school try to identify these and mitigate their impact.

Please see below for examples of barriers to learning that children may experience:

- Special Educational Need
- Attendance
- Behaviour
- Attitude
- Parental support
- Family background issues
- English as a second language
- Low self esteem
- Low self expectations
- Low teacher expectations
- Poor teaching
- Poor language skills
- Poor organisational skills
- Poor basic literacy/numeracy skills
- Physical disability
