

# All About

## Mr Hughes

Since the age of 8, after having a wonderful teacher at middle school called Mr Groom, I have always wanted to teach. I was not an 'academic high flyer' (school report comment) so had to work extra hard to fulfil my ambition. I have now been teaching 27 years the last 7 at the Croft I have a wonderful family, my wife Sally, my eldest daughter Maddie (17, who is just about to start University) and Evie (13) who is currently studying at EDA.

### Hobbies

I love DIY especially building things  
eg walls, sheds  
Playing Tennis and going swimming  
Going for walks with Oscar (My dog)  
Watching films

### What I like about The Croft

How all the staff help each other  
and work together as a team.  
The support from our parents  
Our hard working children

### A message from me.....

I am looking forward to  
teaching you all and the new  
challenges year 5 will bring.  
Have a great summer!
