

# Welcome to Week 2 Spring 1

## Year 5

All of the learning that is included in this remote learning overview is a reflection of the learning that will be going on in school this week. If there are any questions or issues at all please feel free to contact me via email on [staff25@croft.staffs.sch.uk](mailto:staff25@croft.staffs.sch.uk) or alternatively the children can email me themselves using their own Purple Mash email accounts. If you would like to take pictures and email me the children's work, I would love to see it!

Can I encourage parents to follow us on Facebook as there is some information on there which may help you to scan your children's work to make it easier to email through to us.

Please could the children look out for a video introducing this week work which should be on Purple Mash tomorrow.

If anybody would prefer to have a pack of the printed worksheets then please let me know and they will be made available for you to collect.

This week's learning will be displayed within a daily time table. I would ask that this be followed as closely as possible especially for those children who are in school at different times during the week as tasks follow a planned progression and are linked to the previous days learning. It may help the children organise their day with a wider variety of activities to follow.

### Mathematics:

Mathematics lessons will resemble the lessons that the children in school will be completing. This week the focus will be on perimeter. Each lesson has a linked video clip and a 'White Rose' worksheet to complete.

### Writing:

The focus of the next two week's Writing lessons will be on 'narrative writing'. The lessons build up the skills that will help to construct a story. Oak National Academy is delivered by practicing teachers who have been employed by the Government. It is a recommended site designed to support schools in the remote learning.

### Reading:

I have set you the final chapters of either 'Cyber files or The Elephant tea cup or Ned and the Jungle animals' depending on your reading level, followed by the accompanying multiple choice and associated questions in Purple Mash. If you log in and click on your 2Do's they should appear for you.

Please find below a breakdown of lessons for each day of the week
