

Spring is nearly here and here is the final (hopefully) home learning. I can't tell you how much we are all looking forward to the children coming back. I am also really looking forward to the Teams Meetings on Tuesday. If you haven't already, please could you let me know whether you will be attending the catch up. I have sent emails out and invites including the link - please let me know if you have not received one. These meetings are only for the children who do not come into school. This week, my video will be on Purple Mash on Monday morning as usual and also a World Book Day video will be uploaded onto Purple Mash on Friday morning so look out for that.

Also could I remind you that if you would like your child to have toast when they come back in on the 8<sup>th</sup> March, could you send in £3.80 when they return to school. If you have already paid - obviously you will not need to send any money in. Thank you.

The work for the week is included below. As usual, all relevant worksheets have been uploaded to Purple Mash. If you need the sheets printing off, please let me know and I can have this ready for you to collect from the office. If you are finding that your child is struggling with some of the work, please let me know and I can advise on some alternative work which could be a pack for you to collect if you wish.

### WORLD BOOK DAY -Friday 5<sup>th</sup> March

## Friday - WORLD BOOK DAY

Here are the activities for today. If you would like to select from these ideas. Please, please email me or upload pictures and work onto Purple Mash. I would particularly like to create a class book with the children's own page for the book so I would love for these to be sent in if possible. The children will love looking at this in our Reading Area.

### Our book:

### You tube link to the video:

[Story Time with Miss Gray - You can't take an elephant on the bus by Patricia Cleveland-Peck - YouTube](#)

This may have clearer pictures for the children to view.

I have also uploaded a video of me reading the story. You will find this on Purple Mash.

### Class Book:

I would love to create our own class book. The children can then look at each others' ideas when they come back to school.

Choose an animal and choose a form of transport. Can you write your own silly page. Don't worry about making it rhyme (unless you can) - can you record your own sentences to explain why you can't take this animal on this form of transport. Be as silly as you would like!

### Make a mask:

Although we aren't dressing up - lets make some masks to help us get in character. Can you make an animal mask to get in character?

You could use some card, paper or paper plate. You could paint, colour or decorate in different ways.

Here are a few examples:

### Rhyming Words:

There are lots of rhyming words in the poem. Listen to the story again. Can you find the rhyming pairs? You could write these down on your own or find the pairs on the sheet I have uploaded onto Purple Mash.

### Role Play:

Use a sofa, cushions, chairs a bed (or whatever you have) to make a pretend book. If you have cuddly animals - can you put them on the bus then think of reasons why they can't go on the bus. Take some pictures and send them in!

### Traffic Survey:

In this story, each animal is seen on a different form of transport. On one of your walks, take a traffic survey. Which vehicles did you see the most of? Which is the most and least popular?

I have uploaded a table for you to record your results onto Purple Mash.

Please don't feel like you have to do all of these activities, I have put a variety of types of activities so that you can make this work for you. I can't wait to see what you get up to ...

Please email me pictures or upload work for me to see!

## Also - Have a look at these resources

### **Phonics**

<https://www.phonicsplay.co.uk/>

Phonics play have opened up their website so that all activities and games are free again. We use this website lots in school and the children are really familiar with it. Username and password are included below. Please log the children on and they can play and practise their sounds in a fun and interactive way.

Username - jan21

Password - home

### **Reading**

In school, the children really enjoyed using the Book Trust website but we only managed time for a few as there were so many. Have another look this week and decide some of your favourites for me.

### **Spellings**

As this is our last week of home learning - I would like to give the children the week off different spellings. Instead - could you practise the Year 1 Spelling lists included in your pack you were sent at the beginning of lock down. I have included this on Purple Mash if you need another copy. I will be testing the children on these over the next few weeks back in school.
